Manorhaven Summer Edition 2022

## A Message From the Mayor

Dear Residents and Business Owners,

I hope all have been enjoying the wonderful summer weather we've been having on Manhasset Bay! The newly appointed Board of Trustee members, Village Clerk, attorney and I are settling in and getting ready to dive into several upcoming projects that I'd like to share with you.

First, I'd like to say **thank you** to Delia Deriggi-Whitton, to Nassau County, and the Manorhaven Blvd. restoration team for funding this project, and for the amazing transformation that has taken place on our main street and business district. In recognition, we've decided to hold a **"Celebrate Manorhaven Day"** on the boulevard on **September 10, from noon to 3**, with a ribbon cutting at 1:00 p.m. Please join us for our mini street festival with food, vendors, DJ Tom Giovenco, facepainting, and Annabelle the Clown. Please note that **Manorhaven Blvd. will be closed** between the blocks of Dunwood and Firwood Roads between 10 a.m. to 4 p.m. that day and parking will be **blocked off the evening before** the event. The following day, **Sunday, 9/11 at noon**, we will hold our annual 9/11 Ceremony at Village Hall to commemorate the fallen, the heroes, and families who lost loved ones on 9/11.

As I mentioned, the Village has several projects that will be in full swing this fall, a few include: **sewer pump station updates** and safety installations on the building at Pequot and Sintsink West; **sewer line repairs and repaving** on Hickory and Juniper Roads; **sewer line repairs** on Mohegan Ave. followed by **repaving** on that road and the intersection on Sagamore Hill Drive; dead tree and brush clean-up on Sintsink East; continued work on FEMA plans to address the **drainage crisis** on Orchard Beach Blvd.; and resuming work on the **Preserve pathway project**.

The Board is also considering **a few local law changes** this fall including: **no building or construction on Saturdays**; **no overnight parking of commercial vehicles** on Manorhaven Blvd.; updated **trash receptacle regulations** for all commercial businesses on Shore Road and Manorhaven Blvd.; later summer closing times for **Morgan's Dock Park**, and more.

I hope residents and businesses will join us on "Celebrate Manorhaven Day" and on 9/11, and will continue to contact us with concerns and suggestions to help us make Manorhaven a community that we can all be proud of.

All the best,

Mayor John S. Popeleski
