Manorhaven Fall Edition 2022

A Message From the Mayor

Dear Residents and Business Owners,

Fall has arrived and cold weather is just around the corner. I'd like to take this opportunity to get residents up to date on how a few projects are moving along, on upcoming events, seasonal parking reminders and grant applications.

First, a **"Thank You"** to those who were able to join us last month for the **"Celebrate Manorhaven Day"** ribbon cutting, and our very moving 9/11 Ceremony at Village Hall. We as a Board feel it's important to come together as a community to celebrate good times and show respect during times of commemoration.

During the last issue, I discussed several projects that would be getting underway this fall. Not only have we accepted a bid for the **sewer pump station generator installation and upgrades**, but also accepted a bid for the repair of the sewer lines on **Hickory and Juniper Roads**. A bid packet is currently being prepared for the **Recreational Pathway Project in the Preserve** which will begin in the spring of 2023. A first phase will include ADA compliant pathways. We are also assessing sewer repairs on **Mohegan Ave** (note that all phases of sewer work will be followed by paving work.) We have also begun **fall planting of new trees** throughout the Village, and we are awaiting final touches on the boulevard such as **two bus shelters** and plantings.

We recently submitted a **grant application** to FEMA to try to obtain funding to address serious drainage problems on **Orchard Beach Blvd**. We are hoping to hear if those efforts will bring good news to our Village. We will also be submitting another grant application in the spring for Phase II of the **Recreational Pathway Project**.

Plans for the **snowplowing season** are in place! Alternate Thursday and Friday parking ends **on December 1 at midnight** and the Village's **emergency snow parking season begins**. With this in mind, it's **very important** to keep up to date on **snow announcements**. If you have not signed up for our Village **"CODE RED"** emergency messages, for phone, email or text messages, please create an account as soon as possible by clicking the link on our homepage at manorhaven.org.

Residents and businesses should note a few **upcoming events**: **Toys for Tots Collection** from **November 7 to December 9**, and our **Annual Tree and Menorah Lighting** event on **Friday, December 9 at 6:30 p.m.** We will be serving light refreshments, have songs of the season, and a few surprises for the children. Please continue to contact us with any concerns. We are proud of our community and every suggestion helps us better serve our residents!

Happy holidays and all the best,
Mayor John S. Popeleski

Meetings

11/7 - Planning - 6:30 p.m.
11/9 - BZA - 6:30 p.m.
11/15 - Court - 6 p.m.
11/16 - Work Session - 6 p.m.
11/30 - BOT - 6:30 p.m.
